"don't waste xmas"

Children collected their own rubbish off the beaches and filled a jar and we made fish for the sea.

We also did environmental quizzes.

We changed direction and met monthly at Picnic BAY

Our contributions to date are being attached to a mighty large spiral structure which represents an encrusted giant triton shell (3 metres long)

Aims 50th Anniversary Celebration Ball

CANCELLED

Instead, the triton shell and table pieces were moved to the Ville for covid celebration

These artists are driven by a desire to have a sustainable practice; all reuse, repurpose and remake using found and discarded materials. Techniques such as stitching, knitting, weaving, and quilting are used to create textural and sculptural forms that coexists together within a shared space.

Leftover Love: New Directions will be exhibiting 29 April - 18 June 2023 at Pinnacles Gallery.
