TOTALLY RENEWABLE MAGNETIC

2

Totally Renewable Magnetic meeting:

Wednesday 20 August 7 pm

Contact Joe Niven at: totallyrenewablemagnetic@gmail.com

ENERGY FORUM 2025

Our vision is for a self-sufficient, resilient, and renewable-powered Magnetic Island. Join us for this community event, presented by Totally Renewable Magnetic (TRM).

Yurika – part of Energy Queensland (EQL) and a key player in delivering the QLD Government's renewable energy goals – will present the findings of its microgrid feasibility study commissioned by MICDA. Come along and find out more.

PLUS: Get the latest on household batteries and rebates!

TRM will host a battery information session covering:

-  Real stories from islanders using small to large batteries.
-  How the Federal rebate makes batteries more affordable.
-  How batteries boost your energy resilience.
-  How your EV can also be your home battery.

TOTALLY RENEWABLE MAGNETIC ENERGY FORUM 2025

WHERE ?

Peppers boardroom
Near Nelly Bay ferry terminal

WHEN ?

Saturday
20th of September @ 2pm

The Community Climate Action Project for Magnetic Island (Yunbenun) is funded by the partnership between the Australian Government's Reef Trust and the Great Barrier Reef Foundation.

YOU'RE

INVITED

LAUNCH: SAVE THE DATE

ZERO WASTE STRATEGY LAUNCH

Featuring: Weaving with Waste workshop

Saturday 6 September 2025

Horseshoe Bay Community Centre

**Launch ZW strategy
with Anne Prince followed by
Weaving with Waste
with Lee George**

After 2+ years of community consultation, join us for the launch of the Towards Zero Waste Strategy for Magnetic Island — a bold vision to become a world-leading sustainable island, in harmony with our World Heritage values and our place in the Great Barrier Reef. Morning tea provided.

Free entry but you must register for the workshop by emailing Aniko on misdpc.coord@gmail.com or texting on 0400305714.

ZERO WASTE BUSINESS UPDATE

A second Rig Recycle bin is now on Magnetic Island thanks to our partnership with Tangaroa Blue. Picnic Bay Hotel is hosting this bin aiming to serve fishermen at the jetty or off the beach at Picnic Bay. Portable Tackle Backs are available from the hotel as well, so eco-conscious fishermen can collect any fishing gear waste and dispose of it in the Tackle bin for recycling. Keeping our waters safe for local wildlife.

Take our survey!

DID YOU GO TO THE COMPOSTING WORKSHOP, THE CORALATIONS OR DIVERS FOR CLIMATE ON WORLD OCEAN DAY FILM NIGHTS ?

Your Feedback is REALLY IMPORTANT. Please scan the QR code to answer 7 simple questions.
